me: http://diaryofdaedalus.com/
Andrew: are you and charles johnson not friends?
me: not anymore
Andrew: what happened?
me: we had a falling out over Wikileaks, etc
me: and he let his moderator accuse me of being funded by Russian mafia
me: srslyt
Andrew: what falling out?
me: we disagreed over Wikileaks, strongly
me: and Anonymous
Andrew: NO SHIT
Andrew: whats his position
me: that those things are bad
me: I mean, he doesn't have much of a position
me: oh, I made a video explaining it
me: while back
Andrew: ah, perfect
me: just search YouTube for both our names
Andrew: just so you know
Andrew: if you buy a psp
Andrew: you can play xenogears
Andrew: also, ff7, ff9 and fftactics
me: oic
me: I may get an ipad
me: been seeing a few
me: and man
Andrew: why now? you said no last time i pitched it
me: I really need one at this point
me: I didn't need it then
me: now I sure as fuck do
Andrew: i disagree
me: ok
Andrew: i think you needed it then too
me: whatever
Andrew: you should wait
Andrew: thers a new version coming out soon
me: okay

Andrew: next few months
